Treasurer's Report: Total in account \$14,349, spent has been following budget.

Secretary's Report: Regular - 29, Senior - 42, Life - 8, Military – 1, Family - 9, Student – 1, Associate - 4, Total – 94

Old Business:

Tree trimming- Board members have been in discussion with DNR about a selective tree thinning plan. The Board will layout a plan and present to DNR to get approval for selective thinning of Aerodome site.

New Business: DNR Lease – Several Board members have approached DNR Officials about renewing our lease in March 2106. CBRC ask DNR to change one item in the lease. Which is to allow sailplanes to be able to fly between the hours of 9a-11a on Sunday's as long as the plane does not have a motor.

Renewal time is coming – Steve is taking renewals for 2016. The 2016 dues are as follows:

- Regular \$75
- Senior \$65
- Family \$100
- Student \$30

Remember renew early. The renewal period is open until December 31, with a grace period until Jan 31, 2016.

Christmas party – will be held at the December 18 meeting. We are hoping we can get access to the gym area and do some indoor flying. Remember to bring a dish!

July 4 - Mike Merryman has suggested That CBRC support the July 4 parade in Severna Park. This could be a nice venue to promote CBRC and RC modeling. We think a float/trailer can be put together by folks in the club. More information to come.

Show and Tell: Mike M. showed off his battery charger that he built himself. It is a device for charging many different type and styles of batteries.

Steve W – Brought in a 271/2 version of a “Carton Cutlass”. He built the plane from plans and used foam he purchased from Dollar Store. Is electric powered and I believe it flies!

Ray M. – showed off a Halloween skeleton that had eyes. Ray programmed the eye movement using open source software and small chip.

Raffle – Won by Cliff – winnings donated to club

Demonstration for tonight – Ray S. gave a demo on how to do covering with a film product. This was very interesting and most stay for the demo. The wing turned out well!
