Old Business: Renewals – As of the January 7 approximately 52% of our members have renewed for 2015. This is lower than in previous years. Normally it is about 70% at this time in the renewal process.

Compact of field- will be done in spring monies have been allotted in budget.

New Business – A review of the proposed budget for next indicates the Club will be in the deficit spending mode in 2016. There are a few things that were discussed to resolve this situation. The dues increase was discussed at length and the solution to keep the Club solvent is to raise the dues. A proposal will be made to the members in the upcoming January 16 to raise the due for 2016 as follows:

Regular	\$75
Senior	\$75
Family	\$100
Student	\$30

A raise in the 2016 dues will be proposed to the membership at the January 16 meeting to be voted on.

The Club will need to renew the Club Charter, DNR Lease, and Insurance policy in the first quarter of 2015.

Committees – There will be several committees set up to do planning for yearly events and items. This will help get more input from the members on the various items that the Club need to address on a yearly bases such as events , memberships, fun fly’s, open house, etc.

Other business:

Westminster Flea Market in February 14

Lebanon Swap meet coming up March 14

Adjourned: 8:30

John. J - CBRC Secretary

Treasurer's Report: Finished the year at 73% budget spent however there was monies held over to compact the field in spring from 2014 budget numbers>

Secretary's Report: As of December 31, 2014 membership was as follows: Regular 33, Senior – 43, Life – 8, Military -1, Family – 8, Student – 1, Associate – 3, Total 97.

Old Business:

RENEWAL TIME IS HERE!

The membership renewal window remains open from the now to the end of December 2014. There is a grace period during the month of January with membership being withdrawn and dropped from roles for those not having paid by February 1, 2015.

New Business: Cliff made the proposal as discussed in the board meeting to raise the dues as follows:

Regular	\$75
Senior	\$75
Family	\$100
Student	\$30

The increase is required to keep the Club solvent starting in 2016 and beyond. Steve went over the numbers showing what the potential budget would be with a three percent increase year over year. Then compared that amount to what would be brought in with current dues schedule and the proposed increase.

There was considerable discussion around the amount of dues for seniors vs others so a committee was formed to look at the proposed dues structure and provide a recommendation on the dues structure by next meeting. The members on the committee are:

- Clinton Weaver
- Dick Faircloth
- Howard Bonds
- Jim Tomchick
- Steve Barnett

If you have any suggestions that could help this committee please do not hesitate to let them know.

Raffle: Howard Bonds won the raffle.

Show and tell: Allen Chamelin brought in his Nieuport 28 which he has been working on the last couple years. This was the first plane used in WWI by the Americans when entering the war. More history can be found at the follow site http://www.militaryfactory.com/aircraft/detail.asp?aircraft_id=399

Miss Hanger 1 - Cliff showed off his Miss Hanger 1 kit which he picked up off the internet and built. He painted bright green and named it Monster as suggested by he son. "It looks like a hydroplane boat but it does fly"
