New Business:

April 20 - FIELD CLEAN UP DAY - Saturday after the April meeting.

MAY 18 - Fun Fly - Events This is the first fun fly of the year. Egg drop, Limbo, Crap Shoot, ETA, Bean-o-Loop will be some of the events. Pilots meeting at 930 first flight 940. Any other event suggestions please let Steve Barnett or other Club officer know.

Washington Times article: Through the efforts of many the article on airplane modelers in the Washington Times was a great success! Cliff received cudors from the AMA President and other in the organization on a job well done. The article has been post on our web site for your reading pleasure.

Annual Safety Meeting Discussion:

1. Equipment checks -cycle batteries, check wiring harness, check all hinges and any hinged surfaces, check control inputs.
2. Operations - remember flight board is still in use regardless of frequency you use. 2.4 cards go in bottom row on board.
3. Good landings are practiced. A good approach is a must PRACTICE!
4. PRACTICE! Practice approach and alignment for good landings
5. Your information should be in you plane somewhere. (Name, AMA and contact information) Suggestion use label with information and stick to inside of fuselage.

50/50 Won by Chuck Adamo who donated the winnings back to the club.

Reminder: The next meeting with be held at the CBRC field. at 7:00pm

Adjourned

John Jeffcoat, Secretary
