

Minutes of the CBRC Regular Meeting – January 18, 2013

Severna Park Community Center, Severna Park, MD

Attendees – 22
Guests - 1

Introduction of Guests: New member Greg Doyle was introduced. His interest is helicopter flying.

Associate Member up for vote- Scott Regina was voted to Regular membership.

Reading of Minutes of the Board Meeting:

No Board Meeting was conducted during January.

Treasurer's Report: Total assets - \$13,335. Renewals indicate a smaller membership for 2013. To date, Steve has received only 64 Regular, Senior, and Family renewals; therefore, after adding Life, Military, Family dependent, Student, and Associate members, the total will be only 84 members, a decrease of nearly 50 members. If you intend to renew, please contact Steve Barnett prior to January 31. The club roster for 2013 must be purged of those individuals who have not renewed by January 31. Steve will complete the 2013 budget for presentation in February. He anticipated a budget with annual expenditures of approximately \$4400 which would result in a shortfall of \$900-\$1100 based on the reduced membership renewals.

Secretary's Report:

Membership breakdown:

Regular-45, Senior-47, Life-9, Military-2, Family-14, Student-2
Associate-4, Total-123, Voting-110

Old Business:

The Academy of Model Aeronautics informed CBRC of its designation as an AMA Gold Leader Club for 2013. A plaque, brass sign, and gold pins were presented. Phil Adair volunteered to pursue recognition of the club's achievement in local newspapers.

New Business:

Nominations/ Election for Secretary:

Nominations: John Jeffcoat was nominated for the club officer position of Secretary.

Election Result: John Jeffcoat was elected as Secretary.

Safety:

Dick Faircloth discussed his recent accident that resulted in injury to his thumb from a prop cut. While attempting to bind a wireless buddy box to his transmitter, the transmitter was placed on the flight stand, and its throttle control was accidentally bumped. The electric motor of the trainer spun up, and the prop hit his thumb. Six stitches were required to close the injury. It is advised that electric flyers install a motor power cutoff to prevent inadvertent prop spin up.

...featuring: Radio Controlled airplanes, Sailplanes, cars,
boats, control-line airplanes, and related accessories.

Ray Stinchcomb suggested that members relabel their used model magazines and place them in the magazine racks of Doctor's offices, etc., as a means to advertise the club. Label example: Presented by the Chesapeake Bay Radio Control Club, <http://crabrag.com>.

The membership is reminded that AMA requires that each aircraft be identified with the name and address or AMA number of the owner on the inside or affixed to the outside of the model aircraft.

Break: Dues Renewals

50/50 Raffle:

Ray Stinchcomb donated his winnings of \$27 to the club treasury. \$53 dollars was raised by the raffle.

Steve Barnett discussed a future (April/May) FunFly and new events.

Adjourn

Dave Gould, Secretary
